

Details

B14 Heilbronn / Backnang (A 81 - Mundelsheim Exit)

B14 Wendlingen / Esslingen (A 8 - Wendlingen Exit) or

B29 Aalen / Schorndorf

No matter from which direction you will arrive, you should always use the B14 exit FELLBACH-SÜD.

Take the B14 exit in the direction of Fellbach. A few meters after the exit, turn right into the Bühelstraße (direction cemetery / Schmiden / Öffingen ...). You are now in the eastern outskirts of Fellbach and continue 'slightly downhill' for about 1 km.

On the first crossroads which is controlled by traffic lights - there is a FIAT dealer to your right, the AMF company site is situated slightly to the left in front of you beyond the crossroads -, turn left into the Bruckstraße, then turn right into the Waiblinger Straße after 200 metres at the next traffic lights. Go to the house on the corner of this crossing on the right side, and there you are at our administration building.

Right behind this junction, you will see the main entrance followed by the visitor parking lots on the right side.
