

## DECLARATION OF CONFORMITY

ANDREAS MAIER GMBH & CO. KG

### RoHS/REACH

According to our current knowledge, the following articles contain more than 0.1 percent of weight of lead (Pb):

Part	Naming	REACH substance	CAS number	Concentration	ECHA Material Category
60780	Connection Plate	Pb	7439-92-1	> 0,1% w/w	1.4 Metal -> Aluminium
150862	Spring bolt head, brass	Pb	7439-92-1	> 0,1% w/w	1.4 Metal -> brass

We are working on the material changeover.  
An entry in the ECHA SCIP database is therefore not planned.

According to our current knowledge, all other articles meet the current requirements of the **RoHS Directive 2011/65/EU and amendment 2015/863/EU (RoHS 3)** (use of certain hazardous substances in electrical and electronic equipment) and the

### REACH Regulation EC/1907/2006

(Registration, Evaluation, Authorisation and Restriction of Chemicals)

The articles do not contain any substances from the SVHC candidates list of 04 February 2026; the maximum permissible limits are not exceeded.

**Regulation (EU) 2017/821** concerning minerals originating from conflict-affected and high-risk areas, and **Dodd-Frank-Act, Section 1502 (CMRT, EMRT)**

According to our current knowledge, our products do not contain any minerals (tin, tantalum, tungsten, gold, cobalt, mica) originating from conflict-affected and high-risk areas.

### TSCA (Toxic Substances Control Act Section 6 (h)) and California Prop 65

According to our current knowledge, our products do not contain any listed substances.

#### Exception:

Various project hand tools and open-ended spanners, double-ended are nickel-plated.

### POP's Regulation (EU) 2019/1021 (on persistent organic pollutants)

According to our current knowledge, our products do not contain any POPs and no PFAS (PFOS, PFOA) are contained in our products.

### Hazardous substances according to ADR, IMDG, IATA

(transport of dangerous goods)

According to our current knowledge, our products are not dangerous goods according to ADR, IMDG, IATA.

For us, it goes without saying that our production meets all legal requirements on occupational safety and the protection of the environment.
